

2010 Angler Young Angler Fishing Tournament

The Hoot's Sports 2010 Angler Young Angler Fishing Tournament will be held June 5. The event will again be held at Zorbaz on Little Pine Lake in Perham, Minnesota. Registration will begin March 1, with a notification card being sent to all past participants (regardless of the year of participation). Registration will be done on a "first come, first served" basis, making it imperative that participants register quickly. The event is always a sellout. We at Hoot's appreciate all past participation and sponsorship, and we look forward to seeing you this year.
